Austrian Airlines

Austrian Airlines is Austria's leading airline. The once state-owned and still convincing red-white-red airline operates a route network of around 130 destinations. Thanks to its favourable geographical location and Austrian history as a melting pot of the former crown lands, its home airport Vienna Schwechat is still a hub between East and West today. About 120 of the 360 daily flights lead to Central and Eastern Europe. "AUA", as it is often abbreviated in Austria, transports around twelve million passengers a year and employs 7,000 staff from 58 nations. AUA has been part of the Lufthansa Group since 2009. Austrian Airlines is also a member of the Star Alliance, the first global alliance of international airlines. Austrian Airlines has been in the black since 2012. It celebrated its 60th anniversary in 2018.
